

# DURING THE SUMMER SEASON

**What is open to the public?** Our boutique is open 7 days a week, as are the orchards. For the month of August, our business hours are 10 a.m. to 5 p.m. on Monday through Friday, and 9 a.m. to 5 p.m. on Saturday/Sunday. Wearing a face mask is mandatory to enter our boutique, we follow recommended safety measures and even make our own sanitizer.

**Are there tastings and guided tours?** No, we do not offer public tastings right now. They are, however, available with a reservation for an event or private group. The same goes for guided tours. The Cider House remains closed to the public (event or not).

**Are your famous freshly made apple doughnuts available?** They sell out quickly! We have some each weekend. Contact the Domaine to enquire about availability during the week.

**Can we have a picnic at Domaine Lafrance?** Yes! Picnics are allowed in our orchards all through summer. Bring blankets and everything you need! With COVID, no picnic tables are available in the orchard. You can buy ready-made meals in our boutique, as well as all our products, with or without alcohol. It is also possible to eat on the premises, right in front of the boutique.

**Rules:** Do not pick the apples in the orchard, they are not ready to be picked yet.

**Are there playgrounds for children?** Playgrounds will be closed for the summer season. They will be open during apple-picking season, with safety measures in place to ensure everyone's safety.

**Is it possible to bring a pet in the orchards?** On the premises, yes, but not in the orchards! Dogs or any other pet animal are not permitted in the orchards, no matter the season.

**Is it possible to pick fruits?** Information to come! Dates for apple picking will be posted on our social media very soon! We do not offer other types of fruit picking.

**Will we be able to use the sanitary block?** The sanitary block is closed all through summer; however, we have an outdoor lavatory for all visitors to use. It is disinfected multiple times a day. A hand sanitizer will also be available for use in the lavatory.

**The orchards are open to the public during business hours: Monday through Friday from 10 a.m. to 5 p.m. and on weekend from 9 a.m. to 5 p.m.**
